SEE REVERSE SIDE

We received a surprise (and exciting) phone call from Michele Mendenhall. She has been approved for a kidney transplant! This has been a long and difficult journey for their family. Prayers have definitely been answered and are extremely appreciated. It is a wonderful gesture to be able to donate to someone that is in need.

If you feel so moved, please check out the website following: <https://www.osuwexmedlivingdonor.org/>. The phone number to reach the facility is 614/293-6724. *Who knows – you may be someone's perfect match.*
